Based on the net profit of the parent company in 2016, a 10% statutory reserve in the amount of RMB34,276,000 is provided, with the addition of the undistributed profit carried over from 2015 in the amount of RMB384,585,000, less the distributed amount of RMB148,038,000 in 2016, the total distributable profits amounted to RMB545,030,000. Based on the total share capital of 2,952,434,675 shares as at January 9, 2017, a proposed cash dividend of RMB0.60 (tax inclusive) for every 10 shares or a total profit of RMB177,146,000 will be distributed. The undistributed portion of RMB367,884,000 shall be outstanding for distribution to the next year.

The aforementioned distribution plan was considered and approved at the twenty-fifth meeting of the ninth session of the Board, to which the independent Directors have given their independent consent, and will be put forward for Shareholders' approval at the AGM as an ordinary resolution. If approved, the Company will further announce the arrangement for the distribution of the final dividend, including the record date for distribution of the dividend, the closure of the register of members and other relevant matters.
